

Photon Energy Group is a group of companies with a shared mission: making clean energy, clean water and clean environments accessible to everyone.

Photon Energy and **Lerta** provide comprehensive renewable energy solutions, including solar power and energy flexibility. **Photon Water** offers water treatment and management solutions, and our remediation technology removes contaminants from water and soil.

A publicly traded company operating in over 15 countries across two continents, we combine a global outlook with localised expertise.

Since our founding in 2008, we've expanded to a team of more than 400 employees around the world. And we're committed to fostering a culture of shared values and sense of purpose as we continue to grow.
